

## Go Big

Looking around I see  
Smiles shining back at me  
There is something about my energy  
My energy  
I'm living on a higher frequency  
Opportunities are unfolding  
Magnetic to a large degree  
Oh yeah

Now is the time  
when I gotta  
(Go Big)  
Now is the day  
when I gotta  
(Go Big)  
There's no tomorrow, no yesterday  
Now is, Now is  
For me

Transforming my life  
One by one paradigm at a time  
Big ideas  
Are fueling my heart  
Fueling my mind

Brand new day  
With excitement I create, I create  
Claiming my right is what I do  
Going big is my breakthrough

Now I'm livin'  
Now I'm givin'  
Now I'm doin'

## No Matter What

No Matter What  
I Live the life I love  
I'm gon' get my Love and Money

Sittin' on the corner waiting for the bus  
That we call opportunity  
To come get me

Seeing that nothing is coming my way  
Man, it's gonna to be a long day  
If I stay and wait

(chorus)  
No Matter What  
I Live the life I love  
I'm gon' get my Love and Money  
No Matter What  
I Live the life I love  
I'm gon' get my Love and Money

All I know is who I've been  
Now I realize that I can't win  
If I stay this way  
Chapter 4 don't fit in 24  
Brand new steps through brand new doors  
Self-discovery is delicious

Fully committed, Bags are packed  
Finally on the right track  
Now there ain't no looking back  
Cuz' I believe in me  
I have what it takes to succeed  
my belief gives me wings

## No More

There was a time when I was doubtin'  
No more  
No more

Today  
Is the day that I'll pave the way  
Today's when I'm gonna play  
I'll pave the way  
I'm gonna play  
Claim my destiny  
And when I have my last call  
I'll say I spent it all  
Cuz' I am livin' full out  
And I am havin' a ball, havin' a ball

After dabblin' once or twice  
For the first time in my life  
I found my passion  
I found what makes me alive  
I struggled with my faith  
Working hard to keep pace  
And you could see it  
Written all over my face

There was a time when I was doubtin'  
There was a time when I was not in

My dream is now reality  
And the money is a flowin'  
Clientele keeps a growin'  
I shinin' my light

Now is the time when I am trustin'  
Now is the time when I'm expandin'

I am More  
I am More  
I am More  
(repeat 3x's)

Give me more, give me more, give me more
